Meeting adjourned at 4:30 pm ET
Proposal for May 2013 Board meeting. – Participation in “Partners in PT Education”- Barb T

At April 2013 CAPTE meeting, the AC Board liaison was presented with a proposal by CAPTE central panel to develop a new alliance group to facilitate and enhance ongoing inter-organizational communication amongst stakeholders responsible for PT education whose purpose is “to facilitate communication, strategic dialogue and action among key stakeholders who seek to enhance the quality of education for PT practitioners and to promote collaboration and high level recommendations on endeavors that might influence the future of PT education”.

Group name: Partners in PT education (PPTE)

Group members: 2 or more representatives from each group, FSBPT, AC, CAPTE, Ed Section of APTA (proposal to include APTA staff)

Meeting times: face to face 1/yr with conference calls between meeting (frequency to be determined)
Coordinator of group: TBA... suggested that it rotate amongst stakeholders

Support statement: Several groups exist whose primary interests/responsibilities are to develop/support/advance/maintain standards within PT education. It is the belief that each of these groups have an interest to collaborate and promote dialogue with each other and several have within their strategic plans an initiative to further promote a collaborative culture of leadership moving forward. This group can serve as an ongoing strategic think tank for PT education at the 30,000 ft level to explore or encourage exploration of education opportunities in the future, identify/share priorities from respective groups, determine which group might take a lead/coordinating role of a topic that impacts others in the group, help to avoid duplication of effort and serve as a smaller working group to bring back to respective governing boards information and recommendations of the collective groups and vice versa. This group would not replace liaison roles and instead would expand role from reporting/sharing to encourage recommendations for shared decision making whenever possible. The Canadian model of collaboration amongst groups was referenced in the discussion as a model that is currently working well.

Budgetary consequence: additional travel for 2 Council Board members, additional time and effort of these members throughout the year.

Member participants: AC Board CAPTE liaison and another appointed member of the Board.
Academic Council Standing Rules: Motions

Only Academic Council (AC) representatives may propose motions. Representatives shall submit proposed motions, including proposed amendments to the Standing Rules, to the Academic Council Board of Directors (ACBoD) no later than 3 months prior to the date of the annual meeting. Motions that do not meet this 3-month requirement shall be considered upon a vote of 2/3 of those institutional representatives present and voting. The ACBoD shall present motions to the AC representatives no later than two weeks prior to the date of the annual meeting.

Academic Council Motion Review Committee

(1) This committee shall consist of 3 members of the AC appointed by the ACBoD serving a 2-year term; one member shall be the Secretary of the AC.

(2) The ACBoD will refer motions received within the required time window to the Motion Review Committee. The committee shall receive and correlate motions, evaluate support statements, and shall identify motions which fall outside the object or functions of the AC. The committee shall provide advice and counsel regarding form, wording, and method of presentation of matters to be presented to the AC.

(3) Any motion reviewed and that will be forwarded to the AC for consideration and has a fiscal impact shall be referred to the AC Treasurer and Finance Committee prior to consideration by the AC.

(4) All motions and resolutions, except for procedural motion, shall be referred to the Motion Review Committee unless this rule is suspended in any particular case by a majority vote of the representatives.

(5) One member of the committee shall be seated in the AC meeting and shall reply to inquiries directed to the committee by the AC presiding officer.
